## Entrixa Pluse— Fingerprint (Slave Reader)

### Fingerprint Reader (Slave Reader)

The Realtime ST 25+ is an advanced fingerprint attendance system built to deliver high security and efficiency for modern workplaces. With its dual biometric verification—fingerprint scanning—it ensures accurate, contactless attendance tracking and secure access control. The ST 25+ offers fast processing speed, real-time data synchronization, and seamless integration with HR and payroll software. Ideal for offices, factories, schools, and government institutions, this device helps eliminate proxy attendance while enhancing productivity. Choose the Realtime Biometrics ST 25+ for a reliable, intelligent, and future-ready attendance management solution that safeguards your workplace.

#### Product Specifications

- Device Supported: T7, T8
- Working Mode: Master Device Support, Fingerprint, Card
- Power Supply: 12V DC
- Identification Speed: < 1 sec
- FAR: < 0.01
- FRR: < 0.0001
- Fingerprint Users: as per master device
- Card Users: as per master device
- Communication Modes: RS 485
- Working Humidity: 20% - 60%
- Working Temperature: 0° C ~ 45° C
- Sound: Buzzer

#### Realtime ST 25+

#### Key Features

\* Fingerprint Scanner

\* Only For T8 & T7
