## Entrixa Aadhaar— Aadhaar Enabled Biometrics

### Aadhaar Enabled Biometrics

Realtime T502F Mini is a compact and intelligent face and fingerprint attendance machine designed for fast and secure employee verification. It supports AI-based facial recognition, fingerprint scanning, and RFID card access, ensuring accurate and reliable attendance tracking. Equipped with a 5.5-inch color display, Wi-Fi, TCP/IP, and USB connectivity, the T502F Mini offers seamless data transfer and real-time monitoring. Ideal for offices, schools, shops, and small businesses, it combines speed, performance, and convenience in a sleek design. The Realtime T502F Mini biometric attendance system is a perfect choice for efficient and modern workforce management.
